

Product features

Name: Diaphragm water Pump

Model: DP-150

Color: Silver-black

Material: PP

RoHS: ✓

Noise: \leq 35-45dB

Performance parameters

Rated voltage: 24(Vdc)

Current Rating: 4A

Power:40w

Open Flow Rate: 5.3 L/min

Pressure: 150PSI – 1.0Mpa

Nozzle diameter:G3/8

Height:5m

Scope of use

Liquid temperature: 0°C-60°C

environment humidity: Diving

The type of liquid: Liquid

Power Type: Power adaptor

Usage

1-car flushing- car pumping

2-reverse osmosis water ourification system

3-filter

4-spray equipment

5-General industrial equipment-chemical metering

6-hygienic – pollution control

7-printrng

8-water heater booster pump
